

MATH 330 — Spring 2011
ASSIGNMENT 1

Due January 14, 2011

To date you have had at least 14 years of experience with mathematics. Write a passage, thought of as a quote from your mathematical autobiography, that tells something about your mathematical experience, other than mere fact. Be as creative as you like.

This assignment should be: word processed, one page long, 12 point Georgia, double spaced.
