Peer Tutoring Program

Academic Enhancement offers a free, proactive, preventive model peer tutoring program in *The Study*. The internationally certified Peer Tutoring Program operates under a model of front-end assistance— the goal is to enhance students' academic experience as early and as often as possible. Peer Tutors are undergraduate students who provide mentored tutoring for introductory level courses at UK. All tutoring is done on a walk-in basis--students are welcome to come (even bring a study group) any time peer tutoring is available. Peer Tutors have successfully completed the courses they tutor and are trained and supervised under CRLA certification standards.

Individual Academic Consultations (New self-scheduling!)

Individual academic consultations with an Academic Enhancement learning specialist are available by appointment to all UK students. Consultations generally last one hour, and students may return as often as they choose at no charge. Consultation topics may include any or all of the following: learning assessments, study skills, time management, critical reading strategies, note taking techniques, exam preparation, academic stress management, and more.

Follow the steps below to make an appointment for an academic consultation:

1. Login to [myUK](#)
2. Click on "My Info"
3. Click on "Schedule Advisor Meeting"
4. Select "The Study"
5. From here you may choose which type of consultation you want, as well as choose a day and time that are convenient for you.

If you have questions or encounter any trouble scheduling an academic consultation, please contact us by calling 859.257.1356 or email: thestudy@uky.edu

Study Smarter Seminars

The Study Smarter Seminar is an intensive, 4 hour, non-credit earning seminar offered in several evening sessions throughout the course of each semester. The total cost of the seminar is \$40.00 and includes a formal learning assessment, 4 hours of instruction, and all course materials, which students may keep and use as a resource to reference throughout the semester. Course topics include time management, note taking, study skills, critical reading, memory enhancement, exam preparation, and more. To register for the Study Smarter Seminar, you may access our online registration system, or download a registration form that may be completed and mailed to our offices. Contact *The Study* (thestudy@uky.edu) Any questions or need assistance, please call 257-1356. To register: <http://www.uky.edu/UGS/study/seminars.php>
