

Name:

MA 515 – Homework 1  
Due Fri, Sept 5<sup>th</sup>

Your answers should be detailed explanations written neatly in quality mathematical English.  
*The free response question should be typed.*

**Problems from *Linear Programming Notes*:**

**Section 2: Exercises 2.1, 2.3, 2.5, 2.6**

**Section 8.3: Exercises 8.10, 8.11**

**Free Response Question:** Were you comfortable doing the exercises above, or were they a challenge? Do you feel okay so far in the class, or like you are “holding on,” or do you feel totally overwhelmed?
