

MA 330 HOMEWORK
DUE MONDAY, APRIL 27

Write a 3-4 page critical review of the course *MA 330 - History of Mathematics, Spring 2008*. Imagine this to be a review for other students to read while choosing courses. Give detailed reasoning for your commentary. Your review should address questions such as the following:

- Do you recommend this course? Why or why not?
- What was your favorite mathematical topic? Your least favorite mathematical topic?
- What was the most important thing you learned in the class?
- What aspects of the course did you like the most? The least?
- Discuss the quality of the syllabus, the course texts, the homework, the class discussions, etc.

This homework is worth 20 points, based only on completion (i.e. if you turn it in, then you get full credit). This homework should be typed and emailed to braun@ms.uky.edu.
