

1. HOMEWORK 5

Think of a topic related to classroom skills that you'd like to discuss a little more in this class. Maybe there's a behavior you'd like to encourage/discourage in your students, a scenario you want advice on handling, or a skill you'd like to develop. Maybe there's a topic we've already looked at, but that has additional facets you want to discuss. Feel free to be creative.

Suggest your topic, by email, to me by the end of the day on Friday, October 4, and we'll discuss some of the topics we get in Monday's class.
