

# DEPARTMENT OF MATHEMATICS

Ma 162 Second Exam March 5, 2012

**Instructions:** No cell phones or network-capable devices are allowed during the exam. You may use calculators, but you must show your work to receive credit. If your answer is not in the box or if you have no work to support your answer, you will receive no credit. The test has been carefully checked and its notation is consistent with the homework problems. No additional details will be provided during the exam.

Problem	Maximum Score	Actual Score
1	11	
2	11	
3	11	
4	11	
5	12	
6	11	
7	11	
8	11	
9	11	
Total	100
