September 14

Read sections 2.1 through 2.4 in the text and work the following exercises:

The exercises are to be worked independently. They are open book, open notes problems which can be completed off line with answers keyed in later.

Key all of the answers to each set in during one session. The grade from the first time that you complete a section of problems is the one that will be counted.

You should be working on the first set (numbered 01) now.
