### **Midterm Test**

The midterm test will be available this week. In order to prevent protracted, unending working on it and worrying about it, there will be a *one week time limit* on the test. To provide for more flexibility for individuals' schedules and availability of time, the week in which to take the exam will vary from student to student. Specifically, we will send out an email when the test is ready.

#### **You must**

1. within 7 days of that announcement **request** that the test be sent to you and
2. within 7 days of your copy of the test being sent out, **return** your completed test.
