

MA111 — Homework #11

Due Monday, November 23

PLEASE WRITE NEATLY AND STAPLE YOUR PAGES TOGETHER!

Problems from Chapter 14: 2, 4, 6, 10, 12, 14, 20, 22. I encourage you to use Excel or similar software to make some of your graphs, but you may need to write additional information on the graphs before submitting them.

Extra Credit: Find an example of a poor or misleading graph. Include citation information on where the graph is to be found, and a few sentences on what is wrong or misleading about the graph.
