

MA 310 Homework #4

Due Friday, February 1

1. Prepare for Exam #1, which will take place on Friday, February 8.
2. Solve “Planar Clusters” parts (3) and (4). Optional (for your sake, not for extra credit): Use GeoGebra and its “regular polygon” tool to draw some or all of these clusters.
3. Solve “Regular and Semiregular Tilings” part (2).
