

MA 601
Homework #6
Due Monday, October 16

1. Read Active Learning Parts II, III, and IV. The links are on our course site, <http://www.ms.uky.edu/~lee/ma601fa17/ma601fa17.html>.
2. Issues for discussion: Reflect on the level of cognitive demand of some of the components of the classes you are teaching. How can you measure it? Is it appropriate? If you want to change it, what will you do?
