*Please read the following carefully before signing this application.*

If admitted to MathExcel, I understand that:

1. I will commit to 2.0 extra hours per week of class time as compared to typical Calculus I students.
2. I will be graded and tested according to the same standards as other Calculus I students.
3. I will be receiving added personal attention.
4. I am expected to come to each workshop prepared to work on intensive, group problem-solving.
5. I will complete regular homework outside of the MathExcel workshops. Workshop time is spent solving *additional* problems.
