

59th Midwest Partial Differential Equations Seminar
Application for support

Graduate students and recent doctorates may apply for support to attend the seminar. Preference will be given to students and those who received the Ph.D. after 2002.

To apply, please provide the information below. Send your application to Russell Brown, Department of Mathematics, University of Kentucky, Lexington, KY 40506-0027, fax (859) 257-4078 or russell.brown@uky.edu as soon as possible. We will begin making awards on 1 February 2007 and continue until funds are exhausted.

Name:
Department:
Institution:
Address:
City, State, Zip:
E-mail address:

Year or expected year of Ph.D.:

Graduate students should ask their adviser to send a short letter supporting the application for support. The letter may be sent by e-mail to russell.brown@uky.edu

Provide a brief description of your research or area of study.

List your expected expenses (all reimbursements will require receipts):

Travel _____, Lodging _____, Meals _____

Do you have other sources of support (confirmed or tentative) to attend this meeting?
