What do I need to do for Calc I?

- Attend lecture, MWF, read before class
- Attend recitation, T/Th, and participate in small group work
- Complete all online homework, assignments, and webwork
- Complete all six written assignments
- Do your best on the exams! Study with friends and independently!
- Thursday quizzes at end of recitation
- Form a study group!
- Use mathskeller and the study when you need help
- Use supportive language, maintain a growth mindset
