You may receive up to half of the points lost on your exam by doing the following:

1. DO NOT write on your exam paper itself.

2. Write out a complete, correct solution for each problem that you wish to gain points on. WRITE NEATLY. Clearly indicate which problem(s) you are submitting.

3. Except for problem #1, REWORK ALL PARTS OF EACH PROBLEM SUBMITTED, NOT JUST THE ITEMS MISSED.

4. Submit the exam paper together with the reworked problems by 2:00 pm on WEDNESDAY, NOVEMBER 27.
