

Agenda

Faculty meeting, Tuesday, 9 February 2016, 3.30-4.30 in POT 745

1. Announcements
 - We expect to see some improvement in graduate student stipends next year.
 - We will have some time to implement the proposed cuts in the budget. For now, we are cautious but optimistic.
 - We can expect an effort to measure the quality of graduate programs in the next few years.
 - We can expect to see continued concern about retention and graduation rates.
 - The Hayden Howard lecture will be on 7 April.
2. Approval of minutes
3. Update from Ben Braun about Calculus textbook selection committee
4. Lecturer hiring
