- (1) Announcements:
 - The Julia Robinson Math Festival for middle school and high school students took place on Nov 3, 2018. The event was organized by Margaret Readdy and Richard Ehrenborg.
 - Holiday lunch on Dec 5, 11:00 - 1:30.
 - Eaves Lecture by Tara Holm (Cornell) on Mar 21, 2019.
- (2) Minutes from Sept 6 and Oct 16 are approved.
- (3) Prerequisite Change for MA 110.

In discussions with the College of Engineering, the Department of Mathematics has come to an agreement to raise the prerequisites for MA 110 in concert with an increase of admission standards for the College of Engineering.

Moved to vote, seconded, faculty vote to pass (1 abstained).
- (4) Change from MathIndex2 to MathIndex3 for placement.

The department proposes to replace MathIndex 2 by MathIndex 3 that does not require an ALEKS score.

Moved to vote, seconded, faculty vote to pass (1 abstained).
- (5) Information and discussion on campus security.
