

Agenda for Faculty Meeting, 28 April 2020

Announcement: Awards celebration will be held via Zoom on May 1 at 4 pm.

Business:

1. Approve minutes from 21 April 2020, see <http://www.ms.uky.edu/~chair/minutes/>.

2. Establish online versions of MA 213 and MA 214.

This summer our classes are taught remotely. Peter Perry and Nathan Druivenga will lead teams to develop the course materials for MA 213 and MA 214, respectively. Moreover, we will be facing increased pressure from the university and the college to offer more classes online.

It is proposed to develop on-line versions of MA 213 and MA 214 and to initiate the University Senate approval process in Fall 2020.

3. Initial discussion of next hiring priorities.

Given the university budget cuts, chances for hiring appear very slim. Still it may be worth to exchange ideas.
