

Congratulations on being awarded a grant from the National Science Foundation for participation in the Young Researcher Symposium (YRS) (3-4 August) and the International Congress on Mathematical Physics (ICMP) (6-11 August) in Aalborg, Denmark. You are expected to attend **both** the ICMP 2012 and the YRS to be held before the ICMP.

The award may be used to cover **expenses for registration (the special fee is 140 euros for both events), air travel to and from Aalborg, and lodging.** Receipts for all expenses must be submitted to Peter Hislop within one month of your return from the meetings. Receipts must have your name, the total, and means of payment clearly displayed.

For air travel, US carriers and their affiliates must be used as much as possible. If you have a question, please email me beforehand.

You are encouraged to submit an abstract for a talk at the YRS. Instructions are given below on how to do this (the official deadline has expired, but awardees will still be able to submit an abstract).

Local information about housing, etc. can be found on the main ICMP 2012 web site: [www.icmp12.com](http://www.icmp12.com). A list of grantees with their email addresses will be posted on the web page attached to Peter Hislop's web page. Recipients might consider shared housing to reduce expenses.

Finally, each awardee must submit a one paragraph summary of their activities and experience by email within one month of return.

Please email me your **Acceptance by 1 May 2012** at [icmp2012@hotmail.com](mailto:icmp2012@hotmail.com).

#### 1. **Instructions concerning registration:**

Registration is at: <http://www.icmp12.com/registration.aspx>

Go to registration for ICMP12 and select the category under ICMP12:

Registration fee for students

You need to register before May 15 to be able to use the special registration fee of 140 Euros.

You are not required to send documentation by FAX.

**IMPORTANT:** Awardees holding a PhD should follow the same procedure.

You will automatically be registered for the YRS, so do not select this option.

#### 2. **Instructions concerning contributed talks at the YRS:**

To get access to the system for submitting proposals for contributed talks, send an email to Dr. Horia Cornean ([cornean@math.aau.dk](mailto:cornean@math.aau.dk)) requesting a ticket for the system. Be sure to mention that you have been awarded NSF support. You will then be able to submit your proposal, even though the deadline has expired.

### 3. VISA information for Denmark:

Some of you might need a visa to enter Denmark. In this case, please the following information by email or FAX Dr. Horia Cornean the following information at:

cornean@math.aau.dk *or by FAX:* (45) 98 15 81 29 (note that country code is the 45 appearing first).

Required information:

- First name
- Family name
- Citizenship
- Date of birth
- Passport number
- The mailing address of your department.
