One reflection
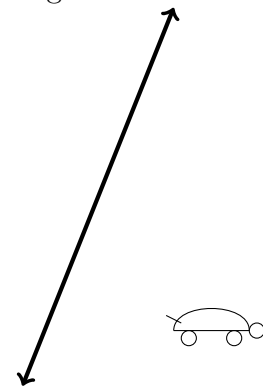

1. Reflect the figure over the line:

2. Reflect the figure over the line:

3. Reflect the figure over the line:

4. Reflect the figure over the line:
5. Rotate the figure 90° around the given point
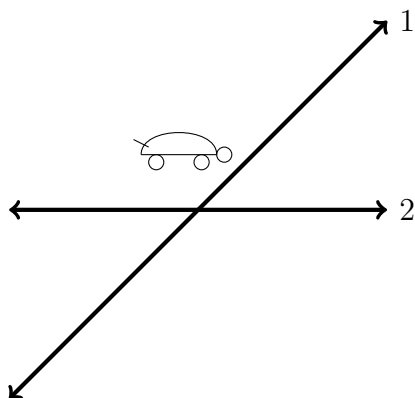

6. Rotate the figure 90° around the given point
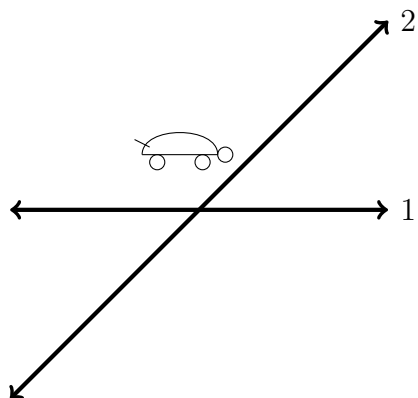

Two reflections

1. Reflect the figure over the lines:

2. Reflect the figure over the lines:

1

2

2

1

3. Reflect the figure over the lines:

1

2

4. Reflect the figure over the lines:

2

1

5. Reflect the figure over the lines:

1

2

6. Reflect the figure over the lines:

2

1
