

	Fair	Envy-Free
Who can the winner be?	Anyone who bid above (or equal to) the average bid .	Only the highest bidder can win.
How much does the winner pay each loser?	The winner must pay each loser their fair share (at the minimum).	The winner must pay each loser between the second-highest and highest bidders' fair shares .
Does each loser have to be paid the same?	Not required	Yes
What is each loser's compensation after getting paid?	Each loser's compensation is just their payment from the winner (the losers do not get the item).	
What is the winner's compensation after they pay?	The winner's compensation is their winning bid (they won the item) minus all their payments. No exceptions!
