

# MATH and PIZZA

## Research Experiences for Undergraduates & Mathematical Contest in Modeling

Speakers

Katie Jones &

undergraduate guests from Asbury College

Sponsored by

*All students  
with an interest in Mathematics  
are welcome to attend!!*

**Date:** Wednesday, December 1, 2010

**Time:** 4:00pm - 5:00pm

**Room:** 204, Classroom Building

Abstract: In this meeting we will feature two possible venues that will provide you with a taste for what graduate life is all about.

Our own Math Club Treasurer, Katie Jones, will talk about her REU experience at Clemson University during Summer 2010.

We are also lucky to host three undergraduate students from Asbury College who will talk about their experience in the Mathematical Contest in Modeling. Professor Demlow is actively recruiting Math students at UK for such a contest in February 2011.
