

MATH and PIZZA

Math for Life

How math can be used throughout life for work and fun

Speaker

John K. Stahl

Global Electronic Management Services (GEMS), CEO and Managing Partner

Sponsored by

Department of Mathematics
University of Kentucky

*All students
with an interest in Mathematics
are welcome to attend!!*

Date: Thursday, October 21, 2010

Time: 4:00pm - 4:50pm

Room: 234, Classroom Building

John K. Stahl received an undergraduate degree in Mathematics from the University of Kentucky in 1969 and a Master in Business Administration from Florida Atlantic University in 1977. Since then John had a very successful career in the business world and especially in the sales aspects of the semiconductor industry.

In particular he was Vice President for worldwide sales in Clear Logic and in Teridian Semiconductor. Currently, he is CEO and Managing Partner in GEMS (Global Electronic Management Services).

Mr. Stahl will talk on how math can be used throughout life for work...and fun!
