PROBLEMS TO BE HANDED IN

Due 26 October 2011.

1. S&S p. 253, #1, 9 and 12.
2. It is time to start thinking about our presentations for the end of the semester. Please select a problem (not an exercise) from the text to present. I would like to approve your selection. At a quick glance, the following seem like good candidates. Chapter 4, problems #2, 6, 7, 8, 9, 10, 11 and Chapter 5, problems #5, 6. In addition, you might look at the problems in Chapters 1-3 or 6.

Plan to pick a problem and make an appointment to discuss your selection with me by Tuesday, 26 October 2011.
